

# Samyak Tiwari

Software and Web Developer

samyaakt14@gmail.com

+91-7376429353

Varanasi, UP

## // Summary

---

Software Developer with 4+ years of hands-on experience building web apps, automation tools, and computer vision projects. Founder of a college coding club and former Tech Lead, with strong skills in MERN, Python, and system-level problem solving.

## // Experience

---

### Independent Developer

2021-Present

- 1) Built multiple software projects spanning web development, automation, and systems programming.
- 2) Strong hands-on experience with multi-language development and end-to-end solution building.

### Tech Lead

2024

Stellar Scholar [school coding club]

Mentored 1K+ students in programming fundamentals, guiding them through real-world projects and improving overall club technical output.

### Founder

2025-Present

Logiclly [college coding club]

Founded and led a student coding club, mentoring members and guiding technical learning and projects

## Projects:

Till Present

Few of my highlight projects:

- 1) Voice Assistant: Alpha
- 2) My website: <https://ssp64.github.io/>
- 3) My Club Website with a live code editor:  
<https://logiclly.vercel.app/>
- 4) Interpreter for a custom Python based self made language: CAN

## // Education

---

High School [10th]

2023

Sunbeam School, Bhagwanpur

Inter [12th]

2025

Sunbeam School, Bhagwanpur

BSc Hons Computer Science Major

Present

Banaras Hindu University [BHU]

## // skills

---

```
const skills = { C, C++, Python, JavaScript, Java, Php, MERN, SQL, Debugging & Optimization, Code Review, System Design (Basics), Git & GitHub, OpenCV };
```
